Mi querida novia

It is 2:30 in the morning and I woke up with you on my mind! Of course I think about you day and night.

I am going to do my best to figure out a way for us to see each other!

Buenos noches!

I can't get online until Thursday when I get to Benin.

I have been traveling all day and this hotel we stopped in tonight has no internet connection!

Yes. I got your email! And it made me want to play carnival with you. Do you know how to play Carnival?

Give up? Okay! Here is how.....

You sit in my face and I guess your weight! (naughty smile!)

Did you get my email from this morning? I sent it around 630 and I was very descriptive. I thought I would have heard from you by now.

For having an affair with Rev. Dr. Jeremiah A. Wright, Jr. I hope it was good for us both. Please say something to me, please tell me you didn't know about this. I am so upset right now. Please say something back to me.

Can you talk to her and tell her you heard from her husband? He used the term affair and he has retrieved her emails?

I told you I was scared.

And just for the record I have never said we had an affair....we emailed some content that was wrong and that was the end. There was no affair of any sort. I'm hearing stories that we met and it just keeps getting bigger and bigger and bigger. Please tell me how it got this way.

Please tell me what you know. I am so scared and I just don't know what you want me to say other than I'm sorry.
